WHAT HAPPENS AFTER MY MRI IS FINISHED?

MRI RESULTS:

The results of your MRI will be available to your referring physician generally by the next business day.

REPORT OF THE MRI STUDY SENT TO ANOTHER PHYSICIAN:

All reports are mailed/ faxed to your doctor. If additional reports are needed, please contact the Radiology Customer Service Center at **410-502-3516**.

COPIES OF THE MRI:

You can obtain a CD-ROM of your MRI before you leave today. If you need a copy of the MRI once you have left, please call The Radiology Customer Service Center at **410-502-3516**. There is no charge for the study being put on a CD-ROM. If hard-copy films are required by your physician, there will be a minimal fee for printing them.

CONTRAST INJECTION:

If you received an injection for your MRI, your IV access line should be removed **before** you leave. If you have any irritation at the injection site that lasts more than 24 hours, please call The Johns Hopkins Radiology Nursing staff at one of the following numbers:

410-955-4598 Johns Hopkins Outpatient Center MRI

410-955-1844 Johns Hopkins Hospital MRI (main hospital)

TO SCHEDULE ANOTHER MRI OR OTHER RADIOLOGY PROCEDURE:
